**笙瑞科技股份有限公司** Trigger Technology Inc. <u>TEL:(03)553-7166</u>; FAX:(03)553-7155

1. Identification of the	1.1 Product Identifier
Substance/Mixture and of	Material Name: Apiezon H Grease.
the Company/Undertaking	
	1.2 Relevant identified uses of the substance or mixture and uses advised
	against
	Product Use: High temperature vacuum grease.
	Uses advised against: None.
	1.3 Details of the supplier of the substance or mixture
	Company: M&I Materials Ltd., Hibernia Way, Trafford Park, Manchester, M32 0ZD,
	UK.
	Telephone: +44 (0)161 864 5409.
	Emergency Telephone: +44 (0)161 864 5439.
	Email: RussellMartin@mimaterials.com.
2. Hazards Identification	This product is not classified as hazardous and therefore there is no legal requirement
	to provide an SDS in Europe. This document has been compiled for information
	purposes, in accordance with Regulation (EU) No 453/2010.
	2.1 Classification of the substance or mixture
	Regulation (EC) No 1272/2008 (CLP): Not classified.
	2.2 Label elements
	Regulation (EC) No 1272/2008 (CLP): No symbol or signal word.
	2.3 Other hazards
	None.
	None.
3. Composition/Information on	3.2 Mixture
Ingredients	CAS No.: 8012-95-1.
ingreatents	CAS No.: 68953-58-2.
	<b>CAO NO.</b> 00000 00 2.
4. First Aid Measures	4.1 Description of first aid measures
4. Thist Alu Measures	<b>Inhalation:</b> None envisaged due to the low vapour pressure of the substance.
	Skin: Wash with soap and water.
	Eyes: Irrigate with copious amounts of water.
	<b>Ingestion:</b> Do not induce vomiting, obtain medical attention.
	4.2 Meet impertant symptoms and effects, both south and delayed
	4.2 Most important symptoms and effects, both acute and delayed
	No adverse effects expected.
	4.2 Indication of any immediate modical attention and appoint treatment readed
	4.3 Indication of any immediate medical attention and special treatment needed
	No special treatment required.
go antica antica state a bit o	E.4. Extinguishing modie
5. Fire Fighting Measures	5.1 Extinguishing media
	Carbon dioxide, dry powder, foam or water fog. Do not use water jets.
	5.2 Special hazards arising from the substance or mixture
	None.

## Safety Data Sheet

January 2016 Page 2 of 4

	5.3 Advice for fire fighters
	No special precautions are required.
6. Accidental Release	6.1 Personal precautions, protective equipment and emergency procedures
Measures	Spilt product constitutes a slip hazard. Avoid contact with eyes.
	6.2 Environmental precautions
	No special precautions required.
	6.3 Methods and material for containment and cleaning up
	Can be wiped from surfaces and residues cleaned with water and detergent.
7. Handling and Storage	7.1 Precautions for safe handling
r. nahuling and Storage	No special precautions required.
	No special precaditoris required.
	7.2 Conditions for safe storage, including any incompatibilities
	No special precautions required.
	7.3 Specific end use(s)
	No special precautions required.
8. Exposure Controls/	8.1 Control parameters
Personal Protection	No relevant control parameters.
	8.2 Exposure controls
	The level of controls depends on the use. In most cases very small quantities of
	material are used. Eye washes should be available for emergency use. <b>Respiratory protection:</b> None required.
	Hand protection: Wash hands after use. For prolonged or repeated skin contact
	gloves are recommended.
	Eye protection: None required.
	- <b>7.</b> F
9. Physical and Chemical	9.1 Information on basic physical and chemical properties
Properties	Appearance: Semi-solid brown grease.
	Odour: None.
	pH: Not applicable.
	Melting point: Does not melt.
	Initial boiling point and boiling range: >450°C.
	Flash point: >260°C.
	Flammability (solid, gas): Data not available.
	Upper/lower flammability or explosive limits: Data not available.
	Vapour pressure: 1.7 x 10 <sup>.9</sup> Torr at 20°C. Vapour density: Not applicable.
	Relative density: 0.918 at 20°C.
	Water solubility: Insoluble.
	Solubility: Soluble in aromatic hydrocarbon solvents.
	Partition coefficient: n-octanol/water: Data not available.
	Auto-ignition temperature: >320°C.
	Decomposition temperature: Data not available.

	Viscosity: Not applicable.
	Explosive properties: Data not available.
	Oxidising properties: Data not available.
	9.2 Other information
	Not applicable.
40. Otability and Departurity	
10. Stability and Reactivity	10.1 Reactivity
	Stable under normal conditions of use.
	10.2 Chemical stability
	Stable under normal conditions of use.
	10.3 Possibility of hazardous reactions
	Data not available.
	10.4 Conditions to avoid
	Temperatures >250°C.
	10.5 Incompatible materials
	Strong oxidising agents.
	10.6 Hazardous decomposition products
	None.
11. Toxicological Information	11.1 Information on toxicological effects
11. I oxicological information	Likely routes of exposure: Skin and eyes are the most likely routes for exposure.
11. I oxicological information	<b>Likely routes of exposure:</b> Skin and eyes are the most likely routes for exposure. Accidental ingestion may occur. Inhalation is not expected to be a relevant route of
11. I oxicological information	<b>Likely routes of exposure:</b> Skin and eyes are the most likely routes for exposure. Accidental ingestion may occur. Inhalation is not expected to be a relevant route of exposure.

#### Safety Data Sheet

January 2016 Page 4 of 4

		12.4 Mobility in soil
		Product has low mobility in soil.
		12.5 Results of PBT and vPvB assessment
		The product does not meet criteria for toxicity which requires further assessment. It is
		not considered PBT or vPvB.
		12.6 Other adverse effects
		No other adverse effects envisaged.
	13. Disposal Considerations	13.1 Waste treatment methods
		Product and packaging must be disposed of in accordance with local and national
		regulations. May be incinerated. Unused product may be returned for reclamation.
14. Transport Information	14. Transport Information	Not classified as hazardous under air (ICAO/IATA), sea (IMDG), road (ADR) or rail
		(RID) regulations.
		14.1 UN number
		Not relevant.
		14.2 UN proper shipping name
		Not relevant.
		14.3 Transport hazard class
		Not relevant.
		14.4 Packing group
		Not relevant.
		14.5 Environmental hazards
		Not relevant.
		14.6 Special precautions for user
		Not relevant.
	15. Regulatory Information	15.1 Safety, health and environmental regulations/legislation specific for the
	<b>č</b>	substance or mixture
		Product is not subject to Authorisation under REACH.
		15.2 Chemical safety assessment
		A chemical safety assessment has been performed for this substance.
	16. Other Information	Compiled according to regulation 1907/EC/2006 Annex II, as amended by Regulation
		(EU) No.453/2010.
		16.1 Changes from last issue:
		No significant changes.

The information provided in this Safety Data Sheet is correct to our best knowledge, information and belief at the date of its publication. It is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not be construed as guaranteeing any specific property of the product.
